OUR SUSTAINABILITY JOURNEY

BETTER TOMORROW

We believe that creating a better tomorrow begins with the actions we take today. Through this strategy, we aim to drive sustainable growth, build trust with our stakeholders, and create meaningful impact, ensuring that our success contributes to a more equitable, resilient, and environmentally conscious world. Together, we're not just building a better business, we're helping create a better tomorrow.

GOVERNED BY THE SDG'S

At Norlanka, we recognize that global challenges require global solutions. That's why we have aligned our Environmental, Social, and Governance (ESG) strategy with the United Nations Sustainable Development Goals (SDGs), a universal blueprint for achieving a better and more sustainable future for all.

By embedding the SDGs into our ESG framework, we ensure that our business decisions not only drive financial performance but also contribute to meaningful, long-term social and environmental impact. This alignment allows us to turn purpose into action and responsibility into measurable results.

PILLARS OF BETTER TOMORROW

PROTECT

OUR ENVIRONMENT

Our commitment to environmental stewardship is deeply ingrained in everything we do from the way we operate our business to how we design our products. Our goal is to reduce our environmental impact, conserve natural resources, and protect the ecosystems that sustain life on Earth for a better tomorrow.

TOGETHER

WITH PEOPLE

We believe that people are the heart of everything we do. Our success is built on strong relationships with our employees, customers, partners, and communities. When we are innovating with our teams, partnering with local communities, or supporting global initiatives, our focus remains the same: to make a better tomorrow for everyone.

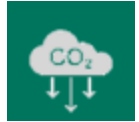

TRUST

IN EVERYTHING

Trust reflects our deep commitment to doing what is right always. In an increasingly complex world, we understand that trust is a company's most valuable asset. It shapes reputations, builds lasting relationships, and fuels sustainable growth. Good governance is the foundation for a better tomorrow.

60% of collected water recharged to aquifers

BIODIVERSITY IMPROVEMENT

Signing of an MOU between Norlanka Manufacturing Colombo Limited and Kelani Valley Plantations PLC. Through this collaboration, we aim to enrich the “We Oya” catchment area by planting 1,000 native trees, restoring ecosystems, and strengthening water catchment resilience.

PROTECT

ROOTS FOR TOMORROW

Roadside Tree Planting: 200
One Plant for Million Garments: 30+

MANGROVE RESTORATION

Location: Ambakandawila, Chilaw
Mangroves Restored: 700

The project reaped the rewards of creating a sustainable ecosystem in the coastal area with 385 thriving plants providing a vital habitat for wildlife whilst protecting the shoreline from erosion.

PROTECT

SRIPADHA CLEANUP

We held a Sripadha (Adam's Peak) cleanup campaign along with the Central Environmental Authority and the Students of Kaleniya University. 45 volunteers participated for this program helping in collecting 132.6 kgs of waste

GREEN HABITS FOR TOMORROW

Awareness sessions on proper waste segregation were conducted for school children to promote environmental protection and foster eco-friendly habits from an early age. Waste bins were also donated to support practical implementation and encourage sustainable behavior.

TOGETHER

STATIONERY DONATION PROGRAM

Since 2022, Norlanka's annual Stationery Donation Program has supported students each year, and in December 2025, we provided essential school supplies worth LKR 1.1 million (USD 4,000) to around 300 children of our team members, helping them prepare for the 2026 academic year.

SUPPORTING CHILDREN'S EDUCATION

Since 2023, our Grade 5 Scholarship Seminars have focused on providing equal access to quality education by sharing knowledge, building confidence, and supporting academic success beyond material donations.

TOGETHER

STYLE FOR CHANGE

As part of our CSR initiative, we are collecting gently used clothes to support underprivileged communities. Your donation can bring warmth, dignity, and hope to those in need. Together, let's turn compassion into action and make a meaningful difference.

RAW MATERIAL DONATION

Norlanka engaged in a CSR initiative that speaks volumes about our commitment to propel education forward by donating essential cotton fabric yarns to the Textile & Apparel Engineering Department "Spinning Lab" at The University of Moratuwa.

TOGETHER

SUPPORTING COMMUNITIES IN TIMES OF CRISIS – CYCLONE DITWAH (2026)

In the wake of Cyclone Ditwah, Norlanka, in collaboration with our parent company PDS Limited, contributed USD 20,000 to the Rebuilding Sri Lanka Fund. This initiative provided vital relief, helped rebuild homes and infrastructure, and supported the recovery of affected communities, reflecting our commitment to responsible corporate citizenship and sustainable community development.

SUPPORTING COMMUNITY HEALTH NATIONAL CANCER INSTITUTE (2025)

As part of our ongoing collaboration with the National Cancer Institute, Norlanka supported the hospital's new kitchen initiative by providing 10 food trolleys worth LKR 1.65 million to improve hygiene and efficiency. Additionally, nutritious meals were arranged for over 1,000 patients, reinforcing our commitment to patient wellbeing and community health.

TOGETHER

EMPOWERING FUTURE APPAREL TALENT WITH UNIVERSITY OF MORATUWA (2024 & 2025)

Reflecting our commitment to nurturing future industry professionals, Norlanka supported the University of in 2025 with fabric scrap for student projects and sponsorships for selected fashion shows, promoting creativity, practical skills, and sustainable practices.

BLOOD DONATION CAMP (SINCE 2022)

Norlanka's blood donation campaign united our team in the spirit of giving, strengthening our bond with the community. Collaborating with National Cancer Institute's Blood Bank Unit in Maharagama and National Blood Centre, we exemplified our commitment to serving others for the fourth consecutive year in 2025.
